Related Work

The screenshot shows the Azure DevOps web interface for a project named 'Project Task 1'. The left sidebar contains navigation options: Overview, Boards, Work items, Backlogs, Sprints, Queries, Delivery Plans, Analytics views, Repos, Pipelines, Test Plans, and Artifacts. The 'Work items' section is active, showing a list of items with '43 paypal payment confirmation' selected. The main content area displays details for this user story, including its title, state (New), area (Project Task 1), reason (New), and iteration (Project Task 1). The description states: 'customer can see paypal payment confirmation so that the order is successful'. The acceptance criteria section is empty with a prompt to add criteria. The discussion section contains a placeholder for a comment. On the right, there are tabs for Details, Planning, and Deployment. The Planning tab shows Story Points (8), Priority (1), and Risk (1 - High). The Deployment tab provides instructions on how to track releases and link to deployment status reporting. The bottom of the screen shows a Windows taskbar with various application icons and the system clock indicating 16:19 on 21-08-2025.

SAMPLE FOR TASKS:

The screenshot shows the Azure DevOps web interface for the same project 'Project Task 1'. The left sidebar is identical to the previous screenshot. The 'Work items' section is active, showing a list of items with '52 Design Amazon Pay payment option' selected. The main content area displays details for this task, including its title, state (New), area (Project Task 1), reason (New), and iteration (Project Task 1). The description states: 'Design Amazon Pay payment option'. The discussion section contains a placeholder for a comment with a link to 'switch to Markdown editor'. On the right, there are tabs for Details, Planning, and Deployment. The Planning tab shows Priority (1) and Activity (Design). The Deployment tab provides instructions on how to track releases and link to deployment status reporting. The bottom of the screen shows a Windows taskbar with various application icons and the system clock indicating 16:20 on 21-08-2025.
